

FISHING SAFETY TIPS

Inyo County Encourages Safe and Responsible Recreation!

- Stay on established trails or developed areas when you are near waterways
- Fish with a partner
- DO NOT let children or pets in moving water
- Keep a close watch on children and pets - even if they are far from water
- River and stream banks can be compromised by extreme erosion - keep a safe distance from these areas
- Wear properly fitting personal flotation for all river activities
- Keep updated on the conditions of your favorite waterways - river and stream condition information may be found at visitor centers and ranger stations
- Avoid slippery rocks and logs near rivers and streams
- Be aware and respectful of posted warning signs – these signs are there for your safety
- Never enter waterways that are upstream from a waterfall
- Stay hydrated, apply sunscreen, and wear insect repellent
- Stay up to date on local weather conditions
