Old Spanish Trail, Investigation

OLD SPANISH TRAIL, INYO COUNTY CA. November 4, 2019 – Members of MINT (Major Investigations and Narcotics Team) have completed the investigation regarding the two deceased individuals that were located on July 22, 2019 off of Old Spanish Trail, approximately six miles south-west of Charleston View. The deceased were identified at the scene as Yvonne Blanco a 69 year old woman from the Cayman Islands, and her husband Keith Henderman a 74 year old man from the Cayman Islands.

The investigation took approximately three months and involved the Inyo County Sheriff's Office, Inyo County Coroner's Office, Inyo County District Attorney's Office, Orange County Coroner's Office, the Federal Bureau of Investigation, and the Grand Cayman Police Department. The investigation concluded that Henderman killed his wife then committed suicide. At this time it is unknown if Blanco was involved in the planning process, but evidence indicated Henderman had pre-planned this.

If anyone has additional information, please contact the Inyo County Sheriff's Office at 760-878-0383 option 4.
